Enchanting Parisian Hideaways

It's no secret that Paris holds a sweet spot in our hearts. Longing for a romantic escape? The City of Light's got an exquisite selection of upscale "boutique" hotels, all listed in a unique book titled [Parisian Hideaways](#). A collaboration between two ladies; Casey O'Brien Blondes, who interviewed the featured hotels' proprietors, and Beatrice Amagat, who photographed their cushy rooms and amenities – this coffee table photo essay is a work of art by itself!
